SAD TIMES AT PENN STATE

Penn State University fired legendary football coach Joe Paterno after one of Paterno's former long-time assistants, Jerry Sandusky, was arrested on child sex abuse charges. Just over two months later, Paterno died of complications from lung cancer.

“Don't let the noise of others' opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become.”

COMING HOME FROM IRAQ

Most of the remaining U.S. troops stationed in Iraq were home by Dec. 31, ending the eight-year conflict there to fight terrorism and remove Iraqi President Saddam Hussein from power. About 100,000 U.S. troops were in Afghanistan, continuing the fight against the Taliban.

VISIONARY GONE

Steve Jobs, the co-founder and CEO of Apple, Inc., who brought the world products such as the iMac, iPod, iPhone and iPad, died after an eight-year battle with cancer. Millions mourned Jobs, considered by some to be the most influential technology pioneer of his generation.

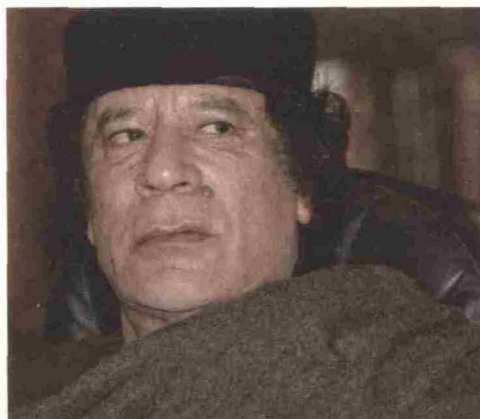

ROLLING IN THE HITS

The hit single "Rolling in the Deep" from British pop star Adele sold more digital copies in the U.S. (nearly 6 million) than any song ever had in a single year. Her album, *21*, became the best selling record of the year.

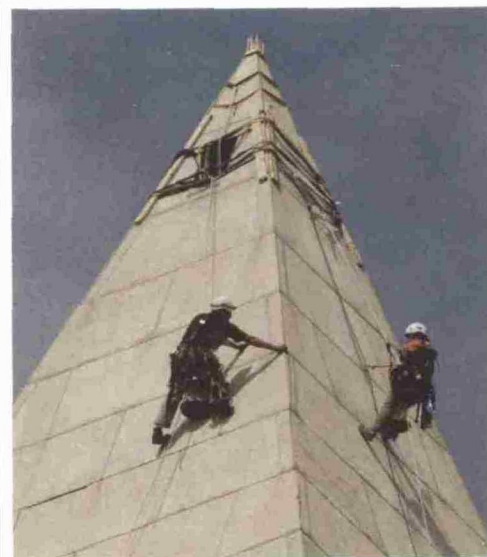

LIBERATION IN LIBYA

The Arab Spring uprisings of 2011 continued into the summer and fall, as Libyans revolted against their government and eventually killed their dictator of 42 years, Moammar Gadhafi, in October. A provisional government took over as the country tried to determine its future.

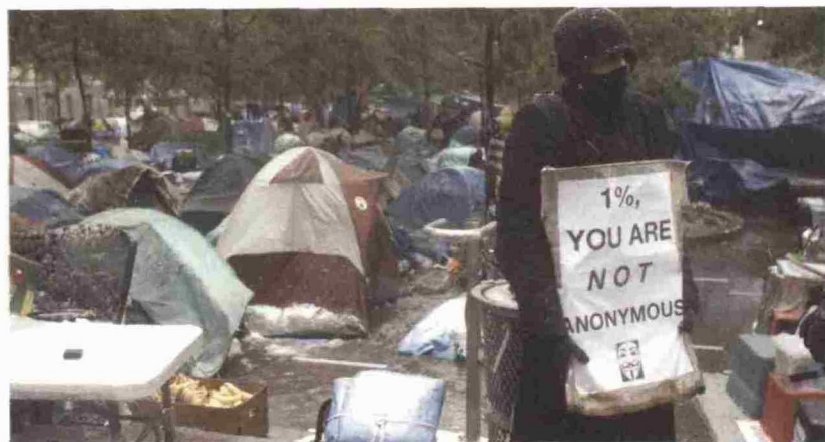

QUAKE RATTLES MONUMENT

The Washington Monument was closed to the public for repairs after a 5.8 magnitude earthquake in August. A team rappelled the 555-foot structure and found most of the damage occurred at the top. Other buildings, including the National Cathedral, also were damaged.

Have you ever wondered what your fellow classmates do after school? In Hobart, there are plenty of things to do, especially with our beautiful lake front uptown. There are always kids walking around the lake, catching a movie at the Art Theatre, eating an ice cream cone at Frey's Dairy Queen, or shopping and eating at one of the many other businesses.

Extra-curricular and school activities also give students something to do after hours. Whether it's watching the Bricks play on Friday night or attending Prom, Hobart High School offers students many opportunities to have fun after the last bell rings. Clubs such as Spanish Club take field trips to exciting places like Chicago's Navy Pier.

Even if students aren't involved in a club or sport, spending time with friends after school is way to enjoy after hours and relax after a long day in the classroom.

DRIVERS AND CARS

By: JOSHUA SALGADO

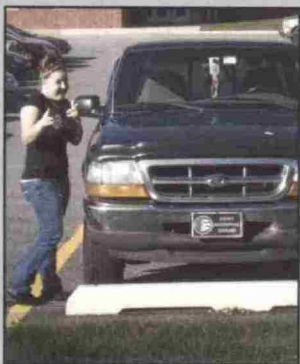

This year has been an interesting year seeing new drivers on the road and people upgrading their cars. We saw teens showing off their rims and speakers and students who could peel rubber or go 0 to 60 in less than minute.

Only juniors and seniors can drive to school, but that doesn't stop underclassmen from hitching a ride from one of their older friends and siblings. Check out the cars seen around the school this past school year.

Seniors Maria Peco, Anthony Morales, and Jennifer Syjut pose by Morales' car in the student parking lot.

HERE ARE SOME OTHER STUDENTS WHO DRIVE THEIR CARS TO SCHOOL:

FOOTBALL

RYAN TURLEY BECOMES NEW HEAD COACH

The first season under new head coach Ryan Turley went up and down. The team piled up many close games that could've been won. The biggest and most noticeable difference in the team this year was the stout defensive effort put forth every Friday night. Many new stars and faces came to light this season, including sophomore Andrew Barras who was handed the starting quarterback job mid-way through the season. The highlight of the Fall was an upset win against South Bend Clay in the first round of sectionals. The following week in round two against South Bend Washington the team's fate wasn't as great, losing by a large margin. Many starters will be returning next season which should make the Brickies a sure pre-season top 10 next fall.

Ashley Velez

Ashley Lynn Velez,

Wow, how the years have flown by! Look at you now! I am so extremely proud of you and all your accomplishments. You have matured into a beautiful young woman and I couldn't have asked for anything more. When I reminisce your high school years, I will always remember the joy you brought me watching your sporting events year after year. I want to thank you for always being a respectful daughter. You will always be my "star." As I sit amongst the crowd at your commencement, tears will fill my eyes. When they call your name, I will proudly look up and quietly say to myself, "That's my daughter." Congratulations on your acceptance at Purdue University Lafayette into the aviation program. Best wishes for you as your embark upon life's next great adventure. Always remember you're a child of God. He loves you and never will let you down.

With All My Love,
Mom
